

Marginal Way  
Preservation Fund

*Annual Report of Giving*  
2020

# Message from Allison Ramsey

Executive Director

## To our loyal supporters of the Marginal Way -

While 2020 proved difficult, the Marginal Way Preservation Fund remained focused on our future and dedicated to our critical mission of supporting the beautification, improvement and preservation of our scenic coastal walkway. In 2020 the Preservation Fund made pivotal changes in leadership - welcoming a new President/Chair of the Board, Executive Director and five new members to the Board; each bringing uniquely accomplished backgrounds to further promote the growth of our non-profit.

Despite the Covid-19 pandemic, we are pleased to be able to report that the Marginal Way Preservation Fund closed out 2020 exceeding our expectations for contributions to both our Annual Appeal and to the Plaque Dedication Program.

This year, we are also very excited to share that the Marginal Way Preservation Fund celebrates its 10th Anniversary as a 501(c)(3) non-profit organization! Our ability to fulfill our mission of protecting and ensuring the long-term preservation of the Marginal Way is made possible thanks to charitable contributions from our generous donors over the years, for which we are beyond grateful.

We thank you all for your past and continued support that makes our mission of preserving the beautiful Marginal Way path by the sea possible.

Marginal Way  
Preservation Fund

## Serenity Point

In an effort to give special recognition to the Marginal Way Plaque Memorial Site and to thank all those who have so generously donated to the Marginal Way Preservation Fund Plaque Program over the years, we are thrilled to announce the official naming of the site to Serenity Point! Our dear friend, loyal supporter, and Secretary of the Fund, Barbara O'Leary creatively led the effort to designate such a meaningful name for this important site along the Marginal Way. It is reflective of the feeling one gets from experiencing a walk along the Way and reminiscent of memories with loved ones whose legacies are honored along the coastal path. We look forward to the ribbon cutting ceremony when we dedicate Plaque Four at Serenity Point this September.

# The Marginal Way Preservation Fund is Honored to Welcome New Leadership

*A New Executive Director and Five New Board Members*

As the Marginal Way Preservation Fund celebrates a milestone year marking its 10th Anniversary as a 501(c)(3) non-profit organization, the Board announced their new leadership team and welcomed five new members to the Preservation Fund Board; all bringing uniquely accomplished backgrounds that will advance the growth of the Fund's success. The success of our non-profit is the result of our dedicated donors, and also the commitment and expertise of our Board of Directors.

# 2019-2021 Art Competition and 10th Anniversary Virtual Auction

The Marginal Way Preservation Fund's long awaited conclusion to their first National Fine Art Competition came to a close on June 27th along with the Fund's kickoff of their 10th year anniversary as a 501(c)(3). In response to the critical repairs needed to maintain the safety of the path for our visitors after the 2018 storms, the Marginal Way Preservation Fund Board was motivated to begin work on a new and creative fundraising effort and launched a National Art Competition inspired by a *Love of the Ocean*. Due to Covid, the art competition was extended and the auction and fundraiser delayed until this year. Despite the delay, 224 artists entered the competition and 5 finalists were chosen in May by a panel of experienced artists who are established in the art world.

In celebration of the 10th Anniversary of the Marginal Way Preservation Fund's establishment as a 501(c)(3) non-profit, the Fund also launched a virtual fundraising auction in conjunction with the announcement of the five finalists of the National Art Competition. On June 27th, a private ceremony was held at the Ogunquit Museum of American Art where the finalists' art was on display for the evening. The top five awards went to the following artists: Joseph A. Miller (First Place) from Buffalo, N.Y., Matt Gunn (Second Place) from York, ME, Daniel Corey from Standish, ME and Keith Willis from Drexel Hill, PA, (Third Place). Honorable Mention went to Tom Glover from Rollinsford, NH. The People's Choice Award, which was voted on by all who registered for the Fund's virtual auction, went to Matt Gunn.

Our sincere appreciation to Nan Ramsey, Chair of the Development Committee, and her committee members for their many hours of service to ensure the Art Competition and Auction was successful. This was truly a community event that heralded the collaboration of the Preservation Fund, the Ogunquit Museum of American Art, as well as the Barn Gallery. Thank you to our loyal sponsors, steadfast supporters and the many local businesses who so generously donated to our virtual auction.
