

# Marginal Way Preservation Fund

## 2018 Annual Report

2018 was a traumatic year for the lovers of the Marginal Way. In March of last year, the Marginal Way was subjected to three major Noreasters, which caused significant damage to this coveted natural asset. Thirty seven areas along the Marginal Way were identified as areas requiring repair. The cost of these repairs was estimated to be in excess of \$500,000.

The Board of the MWPF initiated an Emergency Appeal requesting funds for repairs. Over 270 supporters of the Marginal Way Community responded with donations of \$51,000. A check for this amount was presented to the Ogunquit Select Board in June with those funds deposited in the Town's Marginal Way Repair Fund.

The Select Board also allocated \$150,000 for Marginal Way Repairs. In June 2018, Ogunquit voters approved a \$350,000 warrant article for storm repairs with some of those funds available for Marginal Way repairs.

In 2018, a number of repairs which addressed damage to benches and walls located outboard of the path were completed. The remainder of the repair projects is expected to be completed by the end of 2019.

On behalf of the Board of the Marginal Way Preservation Fund, I thank the Marginal Way Community for making donations to the repair efforts.

*Paul Breen*  
MWPF President
