

The Board continued its efforts to achieve the multi-million dollar mission goal. The Endowment achieved record high levels with over \$803,412.13 accrued as of the end of December. Much of this success was due to the diligence of the Fund's portfolio manager, Morgan Stanley.

The repair effort for the Marginal Way included: soliciting a Federal/State Grant Request, development of the repair specification and bid package, assessment of contractor proposals, soliciting additional funds for the contract, obtaining a DEP permit to start construction and overseeing the repair operation. A significant nor'easter in late January validated the design and survivability of the new revetment and embankment. The Marginal Way Committee will replant the required shrubbery at the project site in the spring of 2017.

### Summer 2016 Thank You's

Jeanne Roche, Executive Director, the Executive Board and the Event Committee gratefully appreciate all of the support and donations of our business sponsors, donors, participants and volunteers for the following great events this Summer:

#### Brix + Brine Wine Party

We would like to thank Jacob Kirsch and his wonderful staff at the Brix & Brine Restaurant on Shore Road in Ogunquit for hosting the wines of the Paarl Vineyard of South Africa—"M.A.N." at a benefit evening. We enjoyed the wines presented by Marie and Anette from their vineyard (which they graciously raffled off 5 bottles from their collection) as well as delicious hors d'oeuvres by Brix & Brine. Thank you to Sheilah McGovern of Vineyard Brands, our sponsor the Ogunquit Village Food Market and Jim Oliver from Bessie's for the gift certificate. We would also like to thank the Ogunquit Chamber of Commerce and the Ogunquit Camera Shop for assisting us with tickets. Thank you to all who attended and continue to support our preservation efforts.

#### A Fabulous Find

Thank you to *A Caring Community* and Deborah Higgins for selecting the Marginal Way Preservation Fund in July as one of the recipients of their *Fabulous Find* store. They contributed one-third of the proceeds from the July sales to us. We so deeply appreciate the support of the community and of programs like this not only to the Marginal Way Preservation Fund but also to the community at large.

#### By the Sea, By the Sea

Our special event in late August included a 5 garden tour, a wet-paint Plein Air event, a silent and live action, and a culmination of a 3 month silent art auction featured at 5 different local galleries. The event was enjoyed by 100 guests at the Beachmere Inn where we successfully raised over \$33,000 for our MWPF. Our thanks once again to everyone who made this event happen.

## Imagine Ogunquit without the Marginal Way!
